CARPETS.

MONDAY MORNING we will inaugurate one of the greatest Sacrifice Carpet Sales on record. Our buyer had no idea it was going to rain almost every day in May, nor that the strike would last so long. BERKSHIRE LAWNS—GEO. M. SNOOK & CO.

BERKSHIRE LAWNS!

7 1/2c Yd.

Look at the smallness of the price. that's ONE of the strong points of these sightly twenty-eight and a half inch wide summer fabrics, each yard of which is honestly worth 10c.

Yet this fact would have little weight if these STRONGER lovely Figured and Striped Lawns were ostracised by Dame Fashion.

The strongest argument, however, why you should purchase a dress of this desirable material with white and tinted grounds is advanced by a bunch of THOROUGHLY WASHED samples in our Market street window display of these, representing all the various colorings of this

LOW-PRICED, FASHIONABLE AND FAST COLORED FABRIC.

THE CITY WATER BOARD.

The Hospital Races.

The ladies' committee having in charge the horse races for the benefit of the City Hospital have decided to have them take place on to-morrow afternoon. It is safe to say there will be a big crowd in attendance at the State Fair grounds track to witness the various contests of speed at that time. The weather it is hoped will not fail the committee this time.

La Belle Lodge Officers.

La Belle Lodge No. 2, A. O. U. W., elected the following officers at a meeting held last Friday:

Past master, William F. J. Wales; master, William W. L. Howe; foreman, A. C. Nolte; overseer, James McGraw; recorder, Charles Steinhaus; financier, F. N. Flood; collector, W. F. Graeb; inside watchman, R. V. Rose; outside watchman, William Leach; trustee, John Walford.

Will Not Issue Bonds.

The proposition to issue \$200,000 of bonds for street paving purposes was defeated Saturday in Moundsville. The vote stood as follows:

First ward—For bonds, 33; against, 84. Second ward—For bonds, 35; against, 88. Third ward—For bonds, 147; against, 92.

A three-fifths vote is required to carry a bond proposition.

The Island Republicans.

In pursuance to the call printed last week the Seventh ward Republican club met at the Island house on Saturday evening, to reorganize. It elected the following officers: President, Alex. R. Campbell; vice president, Dr. W. C. Elzer; secretary, J. Maxwell; delegates to the Fairmont convention, Joseph A. Bell, Dr. W. C. Elzer, N. C. Hamilton, Benj. Exley and Ralph Whitehead; alternates, Myron Hubbard, M. H. McNabb, H. P. McGregor, Fred Farls and John Reed.

A Floater Found.

Yesterday at Wellsburg the dead body of a boy was found in the river. The Ben Hur had just passed up, and the waves the made caused the body to rise and float down past the town, where it was caught. It seemed to have been in the water about a week. A boy was drowned at King's creek and one at Allegheny a week ago, and this may have been one of them. Unless identified this forenoon it will be buried this afternoon by I. W. Clemmons, the county undertaker, in Brooke cemetery.

At the Park Yesterday.

Mozart Park was visited by very few people yesterday, owing to the fact that the incline was not in operation, the supply of coal for the engine having given out. Wheeling Park was visited by an unusually large crowd, the new Casino, now nearing completion, being a great attraction. The casino will be lighted with natural gas this season, but next year the Park Association will put in an electric plant to light its grounds and buildings. All the Elm Grove trains were packed yesterday, and at 2 and 3 o'clock three sections had to be sent out to accommodate the rush, while at other hours two sections were required.

It is almost certain to be needed and should be procured at once. No other remedy can take its place or do its work.

THE CIRCUIT COURTS.

An immense mass of business done on the Closing Day.

Saturday the circuit court adjourned to court in course. In Judge Campbell's side, Part I, the following business was transacted:

The committee consisting of S. O. Boyce and J. B. Summerville, appointed to examine the office of the clerk of the court, reported that that official has faithfully discharged his duties. The committee found that papers in chancery cases are frequently taken and kept by members of the bar for an unreasonable time, and recommended that the rule of court on this subject be enforced. The committee also recommended that a typewriter be purchased for use of the clerk; that his quarters be enlarged, and that an elevator be constructed to send books and papers to the court room.

Neill & Ellingham vs. Rogers Bros.' Produce Company. The court overruled motion to set aside verdict and grant a new trial, made by First National Bank of Santa Barbara, and judgment was entered against the bank for costs. The money in the hands of the sheriff, being less than sufficient to satisfy Neill & Ellingham's judgment, sheriff is ordered to pay same to Neill & Ellingham. First National Bank takes a stay of sixty days, under a bond of \$500, to go to the supreme court.

In Part II, Judge Paul on the bench, the following business was transacted: Kluever, Kraft & Co. vs. S. S. Bloch; case dismissed at plaintiff's costs, without prejudice to right of plaintiff to sue again on the same cause of action.

In the sixteen cases at law against Balzo, Carey & Co. and the three causes and suits in chancery against the same firm, the city of Wheeling tendered and offered to file in each case a denial of its liability as garnishee therein, in writing, and asked to be discharged from giving answer in the suit; to the filing of which paper the several plaintiffs objected.

Mathias Harding's executor vs. Lizzie Moon et al. Decree for sale of the real estate was ordered.

George W. Ratcliffe, trustee, vs. E. M. Richards et al. The sheriff was directed to sell the stock of goods in the drug store at 4315 Jacob street at either public or private sale, and S. L. Brice, special receiver, was directed to make a complete report to the clerk.

Bank of the Ohio Valley vs. John C. Wilson et al. Case referred to George R. Boyd, commissioner.

THIEVING PREVALENT.

A South Side Boarding House Robbed. Over the River, too.

Night before last thieves entered the cellar of the residence of John Kenney, a well known freight conductor on the Baltimore & Ohio road, who lives on the South Side. Mrs. Kenney keeps a boarding house, and she had provided liberally for the Sunday bill of fare, and all the marketing, meat, butter, eggs and other goods, were in the cellar, and all were stolen. It was a pretty good feed for whoever got it. No clue was left.

Thieves made four good hauls in Martin's Ferry late Friday night or early Saturday morning. They almost cleared out the little grocery of Mrs. Giles on South Second street and entered Frank Harick's saloon on Second street by prying up the cellar door, and carried off several gallons of whiskey and a lot of cigars. Twenty-six chickens were stolen from John Hukill, of South Fourth street, and a dozen or so from Andrew Kirtz, on First street.

THINK IT STRANGE—THE HUB CLOTHIERS.

Think it Strange

That good quality Clothes can be sold for

\$8, \$10, \$12, \$15?

It's not near as strange as thinking that good tailor made-to-order Clothes can be sold for those prices. Nearly all the expense is put into the cloth in our Clothes; making up so many suits at one time divide the expense for making each one into very small fractions, yet the result is just as good as if a week had been spent on them. A mistake in cutting isn't possible, therefore, no patching is necessary to make them fit. Taking all in all, it's a great deal to your advantage to wear readymade Clothes, especially the HUB kind. Our \$10, \$12 and \$15 Suits are keys to all our prices and qualities. Some of the most tastily dressed men in Wheeling have judged their quality, style and fit good enough to find them prominent places in their wardrobes. See them for your own good.

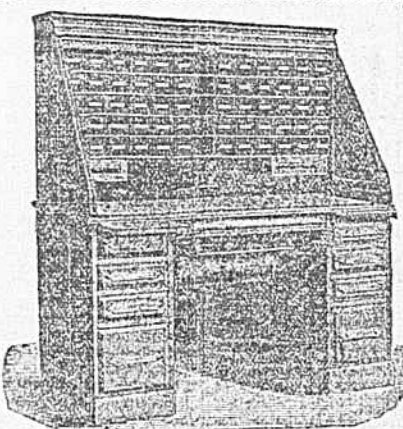

OUR GUARANTEE.

Whatever you get here that isn't fully up to your expectations, bring it back and get your money. We don't say this for effect, we mean it. You buy in good faith, we sell in good faith, and that mutual confidence shall be maintained, no matter at what cost.
